Annual Report

Annual Report 2015-16

It is our proud privilege to have respected Dr. J.S.Negi Controller of Examination HPU, amidst us as the Chief Guest of Annual Prize Distribution Function. We are exceedingly grateful to him for accepting our invitation despite his busy schedule.

Centre of Excellence, Govt. College Sanjauli an institution of eminence in Himachal Pradesh came into being in 1969 on the scenario of education offering Arts, Science, Commerce and BCA at under graduate level enrolling 2665 students (Boys – 1549, Girls – 1116) in different streams. The college takes pride in its rich history and different titles assigned to it from time to time. The structure of the main building, currently housing Administrative Block and Computer laboratories reminds one of the primordial days. The architect A. Gaddock designed the structure of the building. The college was constructed in April 1869 by Harriet Christina Tyler. In the beginning it was an institution used as an industrial orphanage under the name of Himalayan Christina Orphanage and named as North Stoneham. Later in 1872, the same institution was reconstituted as the Mayo Industrial School for female orphans and other girls of European extraction. However, later it was rebuilt at a grand cost of Rs. 73545/- and was opened for use on March 1, 1905 during the Lieutenant-Governorship of Sir Charles Rivoz, K.C.SJ., and the Episcopate of the Reverend George Alfred Lefroy, D.D., the third Bishop of Lahore. After independence, this institution was converted into a B.Ed/B.T. college for girls affiliated to Punjab University, till it attained its present position.

Sir, with your kind permission I would like to present a brief introduction and achievements of the college during the session 2015-2016.
